

genki an integrated course in elementary japanese ii - *i ve used genki and nakama but i absolutely love genki i ve used it in class and on my own the terms are useful and the grammar is easy to understand*, **how to learn the turkish language language learning made** - *today we have a guest post by my friend aaron myers of the everyday language learner blog on his experience with the turkish language*, **port manteaux word maker onelook dictionary search** - *port manteaux churns out silly new words when you feed it an idea or two enter a word or two above and you ll get back a bunch of portmanteaux created by jamming together words that are conceptually related to your inputs*, **the most balanced rosetta stone review you ll ever read** - *i understand this initial frustration because i ve just sampled a review copy of rosetta stone korean myself and there were times where the images and sentences didn t make any sense but i just accepted that i didn t know and moved forward anyway knowing that the answer would eventually come*
